Saving butterflies, moths and our environment

**Cornwall Butterfly Conservation**

## ***Just a Minute!***

Could you take notes at a meeting, email them to committee members, support a Chair and help protect wildlife in Cornwall?

**Then don't hesitate: our butterflies need YOU.** Cornwall Butterfly Conservation is looking for a **Branch Secretary**.

If you are well organised, have basic keyboard skills, a laptop, an email address, connexion to the internet and some time to spare for voluntary work, then this could be the role for you.

All we can offer in return is the satisfaction of helping wildlife conservation in Cornwall, support from an enthusiastic team, a lot of fun and some tea and cake! Knowledge of butterflies is not required.

To find out more without commitment, please contact **Philip Hambly** on **01503 220385** or **philip@lethytep.co.uk**

Thank you!
