

CORNWALL BUTTERFLY CONSERVATION AUDIT

TIMED COUNT RECORDING FORM FOR FRITILLARIES AND TARGETED SPECIES

PART 2: HABITAT AND MANAGEMENT

IMPORTANT: Fill in details in un-shaded areas of the form

Please return completed forms to: Phil Boggis, 6 Tremena Gardens, St Austell, Cornwall, PL25 5QH. Preferably, if you are filling it in via your computer: e-mail to phil.boggis@btinternet.com. Many thanks for your participation.

HABITAT TYPES <i>(Corine biotopes classification system)</i>	HABITATS PRESENT <i>(Tick habitat type as necessary & add species name at top of column)</i>						
	Area	Corinne Code	Species Name	Species Name	Species Name	Species Name	Species Name
Coastal							
Coastal sand dunes	UK	C16					
Scrub and native grasslands							
Wet heathland	UK	C311					
Sheltered heath/moorland	SWE	C312					
Scrub/rough grass - no Bracken	UK	C31B/31C					
Bracken/grass/scrub mosaic	UK	C31D					
Chalk/limestone grassland (inc. downland) - no scrub	UK	C341/342					
Dry acid grassland with Bracken (no scrub)	UK	C358					
Damp, neutral or acidic grassland	UK	C37					
Unimproved 'hay' meadow	SWE	C382					
Mature woodland							
Upland (open) oak/birch woodland	S	C412					
Upland (open) ash woodland with hazel	S	C413					
Open pine woodland	S	C42					
Woodland edges and clearings							
Coppice	UK	C41C					
Glades/meadows within woodlands	UK	C41G					
Wide rides	UK	C41/43G					
Pylon lines	E,S	C41/43P					
Plantation clearfell clearings - broadleaved	UK	C41GB					
Plantation clearfell clearings - conifer	UK	C43C					
Plantation clearfell clearings - mixed	UK	C43M					
Shelterwood clearings	E	C41S					

Key: Area - E=England only; S=Scotland only; SWE = south-west England UK = England, Scotland & Wales

List main foodplant & nectar species present in the spaces below & circle abundance: 1) widespread and abundant, 2) frequent, 3) patchy - locally abundant, 4) patchy -sparse, 5) rare.											
(e.g. Dog Violet)	1	2	3	4	5		1	2	3	4	5
	1	2	3	4	5		1	2	3	4	5
	1	2	3	4	5		1	2	3	4	5

MANAGEMENT	SPRING	SUMMER	AUTUMN	WINTER	OTHER DETAILS: (e.g. other Key butterflies, age of colony, monitoring history, nearest colony, management history)
Grazing (on day & through year if known)	Describe as L - light; M - Moderate H - Heavy				
Grazing - beef cattle					
Grazing - dairy cattle					
Grazing - ponies					
Grazing - goats					
Grazing - deer (natural)					
Grazing - sheep					
Grazing - rabbit					
Grazing - ?					
Other management (tick)					
Scrub clearance		Woodland - ride			
Burning		Woodland - clearfell			
Spraying - herbicides		Woodland - coppicing			
Mowing		Woodland - glade			
Pesticide application		Woodland - shelterwood			
Fertiliser application					

CORNWALL BUTTERFLY CONSERVATION AUDIT
TIMED COUNT RECORDING FORM FOR FRITILLARIES AND TARGETED SPECIES

PART 3: MAP, PHOTO ATTACHMENT (if possible) & SKETCH

Map, photo attachment and/or simple sketch of area showing concentrations of species, route taken etc:

1:50 000 or 1:25 000 photocopy of an OS map, showing scale will do but not absolutely necessary.

NOTES

Please return completed forms to: Phil Boggis, 6 Tremena Gardens, St Austell, Cornwall, PL25 5QH. Preferably, if you are filling it in via your computer: e-mail to phil.boggis@btinternet.com. Many thanks for your participation.
